Dear Ms. Michaels

Please reference the June 10, 2015 letter I sent you as required under Section 1002 of WRRDA 2014. This is to notify you of a change in the schedule regarding the Signed Chief's Report milestone. Instead of being signed on July 31, 2015 as originally anticipated, the report was signed on August 10, 2015.

Routing of the Chief's Report at Headquarters U.S. Army Corps of Engineers started on July 16, 2015, and was delayed.

If I can be of further assistance, please do not hesitate to contact me directly. For specific information about this project, please contact the project manager, Mr. David Williams, at (907) 753-5621 or via email at David.P.Williams@usace.army.mil

Sincerely,

A handwritten signature in black ink, appearing to read "Michael S. Brooks", is written over the typed name.
