This map is a user generated static output from an Internet mapping site and is for reference only. Data layers that appear on this map may or may not be accurate, current, or otherwise reliable. This application was designed to provide information about landcover types on the Kenai Peninsula. It is intended for general informational purposes only and should not be used in place of any official information from an authoritative agency. All the datasets herein were mapped at a scale describing a much larger area than most parcels and therefore land cover boundaries may not match exactly with your property lines. Furthermore, land cover can change over time and the characteristics of a type may vary seasonally. The data displayed herein is neither a legally recorded map nor survey and should only be used for general reference purposes. It is not intended to be used for measurement. Kenai Peninsula Borough assumes no liability as to the accuracy of any data displayed herein. Original source documents should be consulted for accuracy verification.
