The current expiration date of these GPs is April 15, 2015. Extending the time limit for use of these existing GPs will maintain continuity of authorization for persons operating under these GPs, while the Corps works through the current permit evaluation process for the reissuance of these GPs.

The Special Public Notice for GP reissuance closes March 24, 2015 and can be found at <http://www.poa.usace.army.mil/Portals/34/docs/regulatory/specialpns/POA19931011121314M4MultipleWatersSPN.pdf>.
