Mr. Paul Ostrander  
Manager, City of Kenai  
210 Fidalgo Avenue  
Kenai, AK 99611-7794

Dear Mr. Ostrander:

Please reference the August 10, 2015, letter I sent you in accordance with Section 1002 of WRRDA 2014. This is to notify you of the changes to the following milestones for the Kenai Bluffs study.

- a. Release of Draft Feasibility Study for public comment and concurrent review: June 15, 2017
- b. Alaska District submits Final Feasibility Report: August 28, 2018.
- c. Major Support Command transmittal of Final Feasibility Report: September 28, 2018.
- d. Signed Director's Report: November 28, 2018.

Revisions to the report required from the Agency Decision Milestone discussions along with additional Federal funding and 3x3 waiver caused the submittal date of the Final Feasibility Report to change. Subsequent milestone dates were then revised to reflect more typical timelines than initially set at the outset of the study.

For specific information about this project, please contact the Program Manager, Mr. Ronnie Barcak, at (907) 753-5755, or via e-mail: [ronnie.G.Barcak@usace.army.mil](mailto:ronnie.G.Barcak@usace.army.mil).

Sincerely,

A handwritten signature in black ink, appearing to read "Michael S. Brooks", is written over the typed name and title.
