Public Notice Reissued

This notice was originally sent by the Alaska District Corps of Engineers Regulatory Division directly to all agencies and other interested parties who have requested to be included on our Public Notice distribution list. However, it has recently come to our attention that, through an administrative error, some public notices have been omitted from our public website beginning in August 2023. This public notice revision was unfortunately affected by the error, and therefore is now being posted to our public website to allow for a 15-day public comment period. We apologize for any confusion or inconvenience this may have caused and thank you for your interest in the Corps of Engineers Regulatory Division public notices and encourage your comments on proposed projects. Interested parties are hereby notified that a Department of the Army permit application has been received for work in waters of the United States as described below and shown in the previous notice. Interested parties are hereby notified that a Department of the Army permit application has been received for work in waters of the United States as described below and in the previous notice.
