UPDATING THE CONSULTANTS LIST

The United States (U.S.) Army Corps of Engineers (Corps), Alaska District, in accordance with regulations pursuant to Section 404 of the Clean Water Act (Public Law 95-217, 33 U.S.C. 1344 et. Seq.) and/or Section 10 of the Rivers and Harbors Appropriation Act of 1899 (33 U.S.C. 403) reviews applications for activities under those authorities. Applicants can assign agents or hire consultants to assist them in the process.

The Corps, Alaska District has a list of consultants available on our website at <https://www.poa.usace.army.mil/Missions/Regulatory/Regulatory-Resource-Information/> through a link at the bottom of the page. **The Corps does not certify or endorse any of the consultants on that list.**

This Special Public Notice is published to solicit requests to be added or removed from that list. If your business would like to be added, please provide the name of the business, contact information, specialties and/or abilities associated with the permitting process.

All requests to be added to the list should be submitted to regpagemaster@usace.army.mil or the address at the top of the notice.
