of Engineers
Alaska District

Special Public Notice

ISSUANCE DATE: April 14, 2025

SPECIAL EMERGENCY PROCESSING PROCEDURES FOR ACTIVITIES SUBJECT TO EXECUTIVE ORDER (EO) 14156, DECLARING A NATIONAL ENERGY EMERGENCY

TO WHOM IT MAY CONCERN: The purpose of this notice is to advise the public that the United States (U.S.) Army Corps of Engineers, Alaska District has established special emergency processing procedures in accordance with 33 CFR § 325.2(e)(4) for the National Energy Emergency established by Executive Order (EO) 14156, which was issued on January 20, 2025 under the President's legal authorities, including the National Emergencies Act (50 U.S.C. 1601 et seq) and section 301 of title 3, United States code. These special emergency processing procedures have been established pursuant to Sec. 4 of 14156 for activities associated with the identification, siting, production, transportation, refining, and generation of domestic energy sources, including energy infrastructure, that require Department of the Army authorization under Section 10 of the Rivers and Harbors Act of 1899, Section 404 of the Clean Water Act, and/or Section 103 of the Marine Research, Protection, and Sanctuaries Act of 1972, as amended. As stated in Sec. 1 of EO 14156, the President has declared a national emergency in light of findings that the United States' insufficient energy production, transportation, refining, and generation, constitutes an unusual and extraordinary threat to our Nations' economy, national security, and foreign policy.

The purpose of this special public notice is to announce the establishment of the attached special emergency processing procedures in accordance with EO 14156 and provide information to the public about these special emergency processing procedures. This notice is advisory only and public comments are not being solicited.

If you have any questions concerning these special emergency processing procedures, please contact Ms. Sara Longan, Chief, Regional Regulatory Division, at 907-753-2782 or email at sara.w.longan@usace.army.mil.
