PROJECT 02 (DRUM PILES)
UMNAK ISLAND, ALASKA

VIRTUAL PUBLIC MEETING

Wednesday, 5 May 2021
6:00 - 7:00 PM

This public meeting will provide the community with information on the details of the Engineering Evaluation/Cost Analysis (EE/CA) for the Fort Glenn FUDS Project 02 (Drum Piles) in support of selecting a Non-Time-Critical Removal Action, as well as an opportunity to have questions answered, concerns addressed, and provide input into the evaluation of alternatives under consideration. Project representatives will discuss the alternatives and evaluation process and be available to answer questions. This meeting is part of the public review and comment period for the Project 02 EE/CA Report. USACE hopes this meeting will facilitate public comments on the Project 02 EE/CA Report.
